

21<sup>st</sup> January 2025

**Multiplication Tables Check – Information Meeting for Parents**

Dear Year 4 Parents,

We would like to invite you to attend a **Multiplication Tables Check Meeting** next week. There will be two sessions on **Thursday 30<sup>th</sup> January**, one at **9am** and then repeated again at **6pm**, both in the Lower Hall. You may choose which session to attend.

All children in Year 4 are assessed in fluency and recall of their times tables up to 12, which is essential for future success in maths. These assessments take place early on in June. The aim of the session is to provide you with further information about this assessment and to share ideas on how to support your child at home.

We look forward to welcoming you to one of the sessions. If you are unable to attend, the presentation will be available to view on the Bowes website shortly after.

Thank you for your support.

Joel Hockman

**LKS2 Assistant Headteacher**
